Experience of Use
On the market for 24 years.
We have helped tens of thousands of people suffering from various diseases.

Our nanoiod has undergone the following testing:

1. Laboratory testing
2. Preclinical studies
3. Clinical trials over 7 years involving 6,500 patients
4. Testing under the pharmaceutical registration framework in Kazakhstan (no dietary supplement can achieve this)
5. Testing under the dietary supplement regulatory framework in Kazakhstan
